Hello, we have updated our software and paying through our website has changed! If you would like to pay online, please follow the instructions below.

Thank you for your business.

DIRECTIONS FOR MAKING A PAYMENT ONLINE

1. Go to website: www.SafeguardStorages.com
2. Click "Make a Payment" at the top of the screen
3. When that screen opens, you will need to click on the blue words, under Login area, that say Create account
4. Here, you will enter the following information:
 - a. Your Gate Access Code: **125327 (The # to the left is an example. Use your gate access code.)**
 - b. Your Unit Number: **101A (The unit # to the left is an example. Use your unit #**
 - c. Enter your email address.
 - d. Create a password of your choice.
 - e. Re-type and Confirm your password.
 - f. Create your own security question. For example, type in: Your mother's maiden name
 - g. Lastly, type the security question answer.

You're Done! The next time you login, it will only require your email and password. Now you can go online to handle monthly payments, setup auto-pay to be automatically charged each month, view history, etc.

Thank you for your business.
